

POLYTECHNIC UNIVERSITY OF THE PHILIPPINES

CITIZEN'S CHARTER 2022 (1st Edition)

I. **Mandate:**

Presidential Decree No.1341 has mandated the PUP to expand the program offerings of the University to include courses in polytechnic areas and has also given the University the authority to expand diametrically through the establishment of branches, consortia and linkages.

II. **Vision:**

PUP: The National Polytechnic University

III. **Mission:**

Ensuring inclusive and equitable quality education and promoting lifelong learning opportunities through a re-engineered polytechnic university by committing to:

- a. provide democratized access to educational opportunities for the holistic development of individuals with global perspective;
- b. offer industry-oriented curricula that produce highly-skilled professionals with managerial and technical capabilities and a strong sense of public service for nation building;
- c. embed a culture of research and innovation;
- d. continuously develop faculty and employees with the highest level of professionalism;
- e. engage public and private institutions and other stakeholders for the attainment of social development goal; and
- f. establish a strong presence and impact in the international academic community.

IV. **Service Pledge:**

We, the officials and staff of the **Polytechnic University of the Philippines** are committed to high quality standards of service delivery to produce graduates who are caring, competent, civic-minded and critical and creative thinkers. In order to achieve this objective, we endeavor and pledge to:

- P**rovide prompt, efficient and effective services by attending to the needs of our clientele even beyond our official time;
- U**nify and simplify our processes to ensure an integrated, transparent, streamlined and accountable service delivery system with due regard to and compliance with the requirements of the Data Privacy Act of 2012; and
- P**ursue regular review and assessment of our existing processes with the aid of the institutional feedback mechanism and client satisfaction survey to continuously improve customer experience.

18. Processing of Request for Credentials Service (Transcript of Records)

For process request for credentials of students and alumni, transcript of Records (TOR) is one of the credentials requested. This is an official copy of a student's academic subjects enrolled/taken with corresponding remarks/grade given by course faculty with signature of the University Registrar and counter signed by a student record staff. Clients can request for the following TOR:

- A. First Copy– is requested by new graduates after graduation and submission of the required documents. A student who did not graduate may also request for first copy as requirement for readmission or for transfer to another school.
- B. Second and Succeeding Copies – is requested after a new graduate was given his/her first copy and can request second and succeeding copies use for specific purpose.
- C. Copy for Another School – is requested by a client who transferred to another school to pursue higher education provided the Certificate of Transfer Credential (Honorable Dismissal) has been requested by the client and must be acknowledged by the Registrar where the client is presently enrolled. If the TOR with remarks “Copy for” is already issued, the client can only request for another TOR for purposes of Board Examination, employment and promotion provided a “Certificate of No Objection” will be issued by the school where the TOR Copy for” was issued.
